 Did you know that @narendramodi was born on the very same day in 1950 when #india formally recognized #Israel? As PM in 2017, Modi transformed the historic bonds between our civilizations into a strategic partnership between our states. Congratulations 🇮🇳🇮🇱. #HappyBirthdayModiji.

 It is befitting that the day you were born was also the very day that India first recognized the State of Israel.  
 Sending you my best wishes on this special day. 🇮🇳🇮🇱
